WEST HIGH SCHOOL

We can do little more than dedicate this page to our boys who are in the various branches of service for our country. We wish we could list each name and accord him his place as one of our exes, but since our community has given so many to the service, we are only listing the ones that are fighting on foreign soil. If anyone is left out, it is because we do not know his location.

A MESSAGE from my Superintendent

WEST HIGH SCHOOL

Office of
Superintendent

It has been my privilege to serve you as Superintendent for the past ten years. During that time I have seen many students come and go. I like to think of the successes that many have already achieved, and of the hope that I have for you who are to follow. One's usefulness is wrapped up in the matter of finding the right field of endeavor. History is full of the records of people who failed grievously when out of their line and succeeded gloriously when they found their right tasks. If you are conscious that you are not doing the thing that you should, genuine peace of mind and joy cannot come. On the other hand, rightly Carlyle has stated, "Blessed is the man who has found his work". And truly has it been said, "Civilization will mark its highest tide when every man has chosen his proper work.

THE ATHLETIC DEPARTMENT IS LOCATED IN THE EAST END OF THE HIGH SCHOOL. THE COACHES ARE MR. W. H. COOPER, MR. J. C. COOPER, AND MR. R. E. COOPER. THE TEAM IS AS FOLLOWS:

FOR DEFENSE

A RECORD OF THE PART THAT WEST HIGH SCHOOL HAS PLAYED IN THE NATIONAL DEFENSE PROGRAM DURING THE SCHOOL YEAR OF 1941-1942

During the past year we have done our utmost to help our country.

The boys organized a Junior Home Defense first, and later the girls organized one. These defense guards are organized on about the same plan as that of the regular United States Army. Each one of these organizations has its own officers. About two days a week are spent by these organizations in learning the different commands and maneuvers. These defense guards have kaki uniforms that are worn on special occasions. Six students are appointed daily as O. D's. These six students draw a full mast in the morning, and lower the flag in the evening, during which times the pledge of allegiance is recited by the student body.

After mid-term pledges were made as to how many defense stamps each individual could buy weekly. These were recorded each week. This idea has been a wonderful success.

Another way that we are helping defense is by saving all our wasted paper. Instead of throwing our old notebooks and other waste paper away, we are keeping them for Defense.

We have also had several air raid drills. When the air raid alarm is given we assemble in the down stairs hallway. All classes have been instructed in primary first aid work. Many of the girls have knitted caps and sweaters for the Red Cross.

In the month of March the school had a "Defense" bicycle race for which the entrance fee for all contestants and spectators consisted of any collapsible material such as old tires, tubes, etc. The winners were awarded defense stamps. We're doing our part to "keep 'em flying."

TO THE SENIOR CLASS
AND THE STUDENT BODY:

Congratulations!

WE SALUTE YOU for your praiseworthy effort in producing an enduring record of your achievements during the most momentous days of American History. Your efforts are in keeping with President Roosevelt's request that we all "carry-on" in a normal way as much as is possible.

Frankly, we are proud of your year-book. We believe that you have rendered your school and community a distinct service. This printed and pictured record of the school-year, 1941-1942, will be appreciated by students and friends more and more as the years go by.

Our association with those selected to publish your Annual - Sponsor, Editor, Manager, and Staff - has been pleasant, and we appreciate the fine cooperation that we have received.

Sincerely yours,
